The welfare of our students is of paramount importance to us and we offer a high standard of care and supervision to all our students. We provide nominated ATC staff members to act as guardians to our individual students that travel without Group Leaders. It is very important for us that our students remain happy and healthy throughout their stay. Our management team at UCD, along with our teachers and activity leaders will ensure that all students receive the best possible care and attention so as to maximize their experience during their study holiday.

POCKET MONEY:

ATC Language Schools do not provide a pocket money service for students, so it is recommended that students arrive with adequate spending money based on the duration of their study holiday. We would recommend €100 per week as an average budget. This can be used in emergencies, and for buying souvenirs or for the little extras that students like to do with friends.

ACTIVITIES & EXCURSIONS:

The full day excursions are to cities and places of cultural importance around Ireland. The activity programme provides young students with an opportunity to absorb some of Ireland's rich heritage in a fun and relaxed way. ATC at UCD offers a wide range of onsite activities every afternoon and an evening programme seven nights a week.

SPORTS & RECREATION:

UCD offers excellent sports facilities including two indoor sports halls where students can play volleyball, basketball or indoor football. There are also outdoor hockey and astro-turf pitches for soccer or rugby as well as a number of tennis courts.

SAFE:

A safe is available for the security of students' belongings at UCD. Students are encouraged to store large sums of money or valuables here. Travel tickets and passports are normally kept in the safe for the duration of the students' stay.

STUDENT IDENTITY CARDS:

In order to cooperate with the security and safety standards at UCD, ATC Language Schools will supply all students with a student identity card. Students must carry their card with them at all times.

CURFEW:

Under 18: Evening activities take place on campus between 20:00 and 22:00. Students are expected to return to their apartments by 22:30. Students found outside after this time will receive disciplinary action.

Over 18: Students are expected to return to their apartments by 23:00.

ALCOHOL CONSUMPTION:

ATC Language Schools will not tolerate the consumption of alcohol by any of its students who are on a Junior Summer Programme. Students found in the possession of, or consuming, alcohol will be immediately expelled from the school and repatriated at their own cost. In Ireland the legal age to consume alcohol is 18.

SMOKING/VAPING:

Smoking and vaping is strictly prohibited on campus. In Ireland the legal age to purchase cigarettes is 18.

DRUGS:

Any student found in the possession of illegal substances will result in immediate expulsion and repatriation at their own expense.

DISCIPLINE:

For the safety of students and staff, ATC Language Schools will monitor students' behaviour. When deemed necessary, students may receive a written warning, parents will be notified or students will be refused participation in group activities.

FIRE SAFETY:

It is a criminal offence to tamper with fire safety equipment. All students and Group Leaders are to attend a mandatory fire briefing. Any breach of fire safety regulations may result in a fine and expulsion from the course.

DAMAGES:

There is a damage deposit of €50 for individual students and €250 for groups that will be collected upon arrival. This will be retained for the duration of the student / group's stay. The deposit will be returned in full prior to departure less the cost of any damage caused by the student / group.

PARENTAL CONSENT:

Students residing on campus who are under the age of 18 are not allowed to leave the campus unsupervised. They may only leave with a parent / guardian after signing out with the management team onsite. If students are to be exempt from any sports or recreational activities, ATC Language Schools must receive a signed consent form from the students' parents.

EXPULSION:

ATC Language Schools reserve the right to expel any student at their own expense should any of the following issues arise:

- Consumption of alcohol
- Possession of any illegal substances
- Student who endangers either themselves or another person
- Deliberate or malicious damage to UCD property
- Breaking Irish Law

Students will be briefed on the rules and regulations on their first day of school. If ATC Language Schools deems the behaviour of a student unsatisfactory or endangers other students or staff members their stay will be terminated - effective immediately. The students' agency / parents will be informed and the student will be booked on the next available flight. The student will be accompanied to the airport, escorted to check-in and to security, after such time ATC Language Schools will no longer be responsible for the student. There is no refund policy for students who have been expelled from the programme at UCD.

STUDENT COMPLAINTS:

ATC Language Schools offer the highest standard of student welfare to each student. However, if a student is unsatisfied with any aspect of their programme it is essential that they report it immediately in order for it to be resolved without delay. A large percentage of issues can be resolved almost instantly by either our academic staff or activity staff as they usually attend to either their class, or leisure activities. If the problem cannot be resolved immediately, the staff at ATC University College Dublin will endeavour to find a solution as quickly as possible. If the problem is of a more serious nature, the student will be required to complete a form and ATC Language Schools will also inform the agent of the ongoing issue and the progress in resolving the situation.
